CASE NO.Bureau of Prisons;
Barack Obama,
DefendantsHABEAS CORPUS Relief
UNDER 28 USC 2241

comes now, Christopher Donnelly 'Next Friend' and
Personal Representative of Dzhokhar Tsarnaev files
this Habeas corpus Relief under 28 USC 2241.

Tsarnaev's incarceration is UNCONSTITUTIONAL, he is being
held illegally Against his will at Ft. Devens Medical
Center Ayer Massachusetts where he is subjected to Force
medications Truth serum, Risperdal, and Thorazine Against
his will, A Invasion of privacy. Risperdal is causing
Tsarnaev to grow man boobs, he was skinny, now he's drinking
Fluoride water, his Food has Sodium ~~Penathal~~ Penathal, he gets
no vitamin C which Tsarnaev always sneezes and gets colds
and shivers in Solitary 5th in a t-shirt, a thin blanket and
all wearing orange orange is the New Black, Tsarnaev
is totally Innocent, the Boston Bombings was a False
Flag Attack orchestrated by the Illuminati For
New world order to turn humanity into a George
Orwell 1984 Society and because of this I

(2)

Seek Tsarnaev to be released from custody
 Immediately. April 15th Boston Bombings were done by
 Jewish Mossad and MK ultra mind controlled Govt.
 Gang stalkers to justify Gun control and new Govt.
 Rules, laws, regulations and higher sentencing guidelines.
 This was a vast conspiracy with the Rockefeller's,
 Uniform Commercial Code U.C.C. Followers, Bohemian Grove
 dancers, Federal Reserve Bank participants at Jeckly
 Island controlling Americans Lives. Tsarnaev was an
 Innocent Bystander just minding his own business at
 the Boston Marathon watching his Favorite Runner Meb
 enjoying the day and now he is Framed, FBI murdered
 Tsarnaev's friend in Orlando Area to prevent him from
 Testifying as a character witness in Tsarnaev's trial.
 Tsarnaev's Attorney Judy Clarke is ineffective she was
 also Jared Lee Loughner's Attorney now Jared sits in
 the Federal Medical Center in Springfield Missouri; subjected
 to Force Feedings, cell extractions, forced medication to silence
 Loughner. Both Loughner & Tsarnaev were online friends
 on Godlikeproductions.com Loughner went by Erad 3
 Tsarnaev went by 'Jaharescobar' and Godlikeproductions is
 run by the CIA which recruits Patsy's to be false flag
 attacks under MK-ultra and operation paperclip. Adam
 anza is innocent too, his Father Peteranza & James
 Holmes father Robert Holmes are part of the
 Libor scandal of Jewish Bankers of our Fiat money
 Federal Reserve notes that are backed by nothing of substance.

James Holmes is Innocent, he was mind controlled by Colorado Billionaire Philip Anschutz who owns Regal cinemas, the Los Angeles Lakers, AEG Entertainment and Holmes was indoctrinated by the University of Colorado Anschutz to shoot century 10 theater Regal cinemas Rivul and Anschutz is heavily invested into Kobe Bryant where Anschutz bought off Kobe Bryants rape victim in Colorado. James Holmes, Adam Lanza, Dylan Klebold, Tsarnaev all were on Zoloft SSRIs which are killing our youths turning children into walking zombies blocking Dopamine Receptors were kids don't have love, kids on SSRIs want to commit suicide and have no empathy, thats why all the mass shootings the shooters were on SSRIs. Even HeBIL the Pittsburgh Area school stabber was mind controlled so PA Governor can justify Tax payer Expense metal detectors in school and more kids to be tried as Adults, Pennsylvania leads the nation in Juvenile offenders serving life which is unconstitutional. I Fear if this court does not release Tsarnaev from custody now and let him go back to the cheyenne Area he will get a unconstitutional Death Penalty which the new methods of lethal injection is unconstitutional States are not telling Execution victims what Drugs/Drug manufactures are injected in their veins which are human Experiment Guinea Pigs and Tsarnaev w. 11

Full victim to this And Tsarnaev will be put at the Adx in Florence Colorado and be influenced/Indoctrinated by Adx cronies Ted unabomber, Eric Rudolph, Thomas

Silverstein and 9/11 20th Hissaker Zacarias Moussiri
 will Attack Jahar Tsarnaev cause Tsarnaev has
 Hair, Moussiri Does not and they both practice Different
 Forms of Islam, Tsarnaev a Shiite, Moussiri a Sunni
 so if Tsarnaev goes to Adx there will be sectarian
 violence, Tsarnaev also will denounce Islam and be a
 Atheist if You release him. Tsarnaev cannot file this
 habeas corpus 2241 himself cause he's mentally incompetent
 from Bureau of prisons torture, he's unable to seek
 relief himself cause of the drugs pumped in his skin, If
 You release him, Tsarnaev promises to behave, he will donate
 food at the United Way, Serve US. troops Soup in
 Afghanistan, plant trees in California, Advocated the dangers
 of climate change. I Just want to give Tsarnaev a
 second chance, America owes him this. Tsarnaev is
 oston Strong and he's truly sorry Sleepers are blind on
 the Govt. Christopher Donnelly seeks relief for Tsarnaev.
 Free Jahar. God Bless the US.

Respectfully

June 12, 2014
